CHARGE POLICY

Middle School students may charge up to two lunches if they have no money. They may not charge breakfast, snacks or beverages. **High School students can not charge any purchase.** If a student's account is at the negative limit, we will provide a sandwich and milk to prevent hunger.

How To Build a Lunch Combo

Better Nutrition, Better Value. Combo meals feature items from 5 food groups and include fresh sides from the **Harvest Bar** and choice of milk. Choose servings from at least 3 groups to qualify as a Combo. A fruit or vegetable **must** be one of the selected groups. If students choose less than 3, items are priced at a la carte rates and are not available at free and reduced pricing. For the **most** nutrition and **best** value, choose items from all 5 food groups!
