How To Build a Lunch Combo

Better Nutrition, Better Value.
Combo meals feature items from 5 food groups and include fresh sides from the **Harvest Bar** and choice of milk. Choose servings from at least 3 groups to qualify as a Combo. A fruit or vegetable **must** be one of the selected groups. If students choose less than 3, items are priced at a la carte rates and are not available at free and reduced pricing. For the **most** nutrition and **best** value, choose items from all 5 food groups!

- ✓ Protein
- ✓ Fruit
- ✓ Vegetable
