

It's The 2nd Annual Valpo Elementary Schools

Shoe's Pizza Eating Contest!

We are excited to invite the families of Northview School to attend our Second Annual Shoe's Pizza night Fundraiser! This will be an exciting and yummy way to raise money for your school. Each of the elementary schools will host their own 10% Pizza night at Shoe's where the families of their school can dine-in or carry out. Shoe's will donate 10% of the sales of your school's night back to your school! Whichever elementary has the highest percentage of sales on their night, (based on your school size) will receive 20% back as the winner of the contest!

Your School is hosting on 2/23/2012. So be sure to get all of your friends and family to come in and eat at Shoe's on this date to really support our school! Let's be the BEST in VALPO!
